Subject: Invitation to EUCYS – European Union Contest for Young Scientists – 31st Edition
Sofia (Bulgaria), 13 – 18 September 2019

Dear Tatiana Vladimirovna,

The Ministry of Education and Science of the Republic of Bulgaria and the Institute of Mathematics and Informatics of the Bulgarian Academy of Sciences (IMI–BAS) are delighted to invite the following Russian delegation to participate at the 31st European Union Contest for Young Scientists (EUCYS 2019) on 13 – 18 of September 2019 in Sofia, Bulgaria.

| Name | Birth date |
|--------------------------------|------------|
| Alexander Alexandrovich Sokko | 2.5.2002 |
| Daria Nikolaevna Patsukova | 29.11.1991 |
| Olga Antonovna Yarotskaya | 17.7.2003 |
| Svetlana Aleksandrovna Kozlova | 27.4.1974 |
| Tatiana Vladimirovna Romanova | 28.9.1978 |
| Yana Olegovna Kachenyuk | 6.7.2002 |

The event will take place in Sofia at the Inter Expo Center (147, Tsarigradsko shose Blvd.).

The European Commission has organized the European Union Contest for Young Scientists since 1989. The Institute of Mathematics and Informatics of the Bulgarian Academy of Sciences (IMI–BAS) has the pleasure to organise the 31st EUCYS. EUCYS 2019 will bring up to 200 excellent young researchers from the European Union Member States, Associated Countries and from Countries with Science and Technology agreements, to Sofia on the 13 – 18 September 2019.

Countries with Science and Technology Agreements, are eligible to take part in the competition.

We would like to inform you that the participants from Russia have already paid the participation fee of 600€ per contestant and 750€ per escort.

With best regards,

Prof. Peter Boyvalenkov
Deputy Director of IMI–BAS
